Seventh-day Adventist groups approved by their church board are insured. Please submit an approval letter signed by the Pastor or Church Board Chairman. All other groups should contact their insurance carrier and have Camp Akita listed as an additional insured endorsement (\$1,000,000 liability insurance required. However, to better protect yourself \$3,000,000 is strongly advised. Families not associated with a group will need to provide for their own insurance should there be a need as the camp does not carry this type of insurance.)

I have read and accept responsibility for fees and damages incurred by this group and will enforce camp policies and regulations as outlined in the Leaders Guide.
